rawad.makhoul@germainmaureau.com

After earning an engineer's degree in electrical engineering from INSA Lyon and a Master of Science in electronic engineering from Politecnico di Torino, Rawad pursued a PhD in power electronics at the CEA in Grenoble where he worked on very high frequency GaN based power converters. He joined Germain Maureau in 2020.

Work Experience

- **Since 2020: Germain Maureau**

Technical area: electronics / electrical engineering, IT & artificial intelligence (computer-implemented inventions), optics / optoelectronics / physics, telecommunications & IoT

Area of expertise: patents

Qualifications

- CEIPI Patents
- Engineer's Degree, Electrical Engineering, INSA Lyon
- Master of Science, Electronic Engineering, Politecnico di Torino
- Ph.D., Electrical Engineering, Université Grenoble Alpes

Languages

- French
- English
- Italian
- Arabic
