

Augustin MALLER

Patent Engineer

Tel. +33 1 45 26 36 90

augustin.maller@germainmaureau.com

Doctor in geophysics (IPGP) and Engineer (ESPCI Paris, ENS Paris), Augustin is a specialist in geophysical fluid dynamics. After a first experience as a researcher, he joined Germain Maureau in 2026.

Work Experience

- **Since 2026 : Germain Maureau**

Technical area: aeronautics / aerospace, automotive, mechanics / mechatronics, medical devices

Area of expertise: patents

- **2025 : Laboratory *Matière et Systèmes Complexes*, Paris Cité University**

- Post-doctoral fellow in Geophysical Fluid Dynamics

- **2021 – 2024 : *Institut de Physique du Globe de Paris (IPGP)*, Paris Cité University**

- PhD candidate in Geophysical Fluid Dynamics

Qualifications

- Phd in Geophysics from IPGP
- Masters in Earth Sciences from ENS Paris - PSL
- Masters in Engineering from ESPCI Paris - PSL
